Re:Priority PAC
FEC Identification #C00388694

Dear Ms. Sinram:

This is in response to your letter dated November 8, 2011 concerning the Mid-Year Report (1/1/11-6/30/11) of Priority PAC (the ""Committee"").

You have asked about a contribution that appears to be excessive. Due to a typographical error, the contribution made to Joe Manchin for West Virginia on October 14, 2010 was mistakenly reported as being for the 2012 primary election. It was in fact for the 2010 general election. The Committee will amend its report to show the correct designation.

You have also asked about a contribution to the 2010 runoff election. This contribution to Chad Causey for Congress was intended to be for the 2010 runoff debt. However, since the Committee did not designate its contribution to the 2010 runoff debt, it has requested a refund of this contribution. A copy of the letter to Chad Causey for Congress requesting the refund is attached hereto.

We hope that this information adequately answers your questions. If you have any additional questions, please contact the Committee.

Sincerely yours,

Kevin Kennedy
Treasurer
